

2014 WORLD MALARIA MONTH AT PEACE CORPS RWANDA

THANK YOU!

HELPING RWANDANS FIND A MALARIA-FREE FUTURE!

In just one-month, 49 Peace Corps Volunteers and 400+ Rwandan professionals in the health and education sectors..

- Reached 19,000+ Rwandans with life-saving malaria prevention messaging & interventions
- Completed 64 community projects in 22 districts including malaria prevention murals; community malaria awareness parades, carnivals, sporting events and dramas; net use, care and repair sessions; home visits and community surveying
- Taught 130+ hours of malaria prevention education in rural health centers and schools
- Partnered with 80 institutions and corporate sponsors
- Authored 19 blogs and countless social media updates to share with friends and family back home
